

ALMATIS WINS NOVELIS GLOBAL SUPPLIER AWARD

Awards recognize outstanding suppliers for quality, delivery, sustainability and innovation

ATLANTA – July 22, 2022 – Almatis, the global leader in alumina-based products & solutions, today announced it received a Global Supplier Award from Novelis Inc., a leading sustainable aluminum solutions provider and the world leader in aluminum rolling and recycling. Almatis was selected for an Alliance award for Products and services provided to Novelis.

“Almatis is extremely honored to have been selected by Novelis for their Global Supplier Alliance award.” Stated Barbara Steuler, Chief Commercial Officer at Almatis. “Almatis is focused on supporting and enhancing our customers’ business through quality products, and world-class service & technical support. We are pleased to be partnered with Novelis and look forward to our continued relationship.”

The Novelis Global Supplier Awards recognize companies for quality performance and outstanding partnership that spurs sustainable innovation and supports supply chain resiliency. Winners were evaluated based on quality, delivery, sustainability, and innovation performance indicators, as well as the results of a stakeholder satisfaction survey and Sustainability and Innovation questionnaire. Over several thousand suppliers competed for the Alliance Awards. Thirteen (13) companies were selected for the Alliance Awards based on the Novelis’ regional nominations. Twenty five (25) companies were awarded for their quality performance recognized as Silver, Gold and Aluminum Awards.

“Novelis’ outstanding suppliers make it possible for us to transform aluminum into innovative, sustainable solutions for our customers,” said Roxana Molina, Chief Procurement Officer of Novelis. “We believe it’s important to recognize our suppliers that have gone to great lengths to provide quality goods and services that are essential to our continued growth and success. Each Novelis Global Supplier Award recipient is a shining example of quality and service, and we are glad to give them this well-deserved recognition.”

Almatis is the market leader in specialty alumina products & services for the refractories, ceramics, polishing, and specialty industries. Almatis extra-low soda tabular aluminas play a key role in supporting Novelis to deliver innovative new products by providing reliable and quality bed supports.

About Almatis

Almatis’ mission is to serve its customers and core markets with innovative products and the lowest effective carbon footprint through its extensive operational network. For more than 100 years, Almatis has refined its expertise in the development, manufacture and reliable supply of alumina and alumina-based materials to become the market leader and chosen partner for alumina and high-performance solutions. Almatis leads by focusing on quality products, customer service & support, and reliable supply. As devices continually become smaller and soon may be printed at home, energy comes in the renewable kind, and full-time-real-time connectivity is less a trend than a reality, Almatis aluminas enable the development of innovative next-generation technologies. Across our core & emerging markets, Almatis offers the most comprehensive portfolio in the industry, with products that are known to perform consistently, anywhere, anytime, everytime.
