

## Almatris do Brazil celebrates 10 year anniversary

Almatris do Brasil celebrates 10 years of local warehousing operation of Almatris alumina products in Brazil.

Since our first sales invoice in 2012, Almatris has catered to the needs, in addition to all technical and commercial support in the Brazilian market, being closer to our customers.

We are pleased to supply premium alumina products for the local manufacture of refractories, ceramics and polishing.
