PRODUCT CARBON FOOTPRINT CERTIFICATES FOR ALMATIS TABULAR ALUMINA AND CEMENT PRODUCTS

Almatris is proud that our Tabular Alumina and cement products have been certified by GUTcert GMBH for the base year of 2018.

NOW AVAILABLE
FOR OUR CUSTOMERS

Certified CO₂ equivalent emissions values for Almatris tabular alumina and cement products.

Customers who are concerned about sourcing sustainable raw materials can now receive certified CO2 equivalent emissions values for these products.

To receive the certificate of your Almatis product, please leave an information request at <https://www.almatis.com/contact/information-request/>.
